Copy of letter No.LRM.78/1362 dated the 27th April 1951, from the Electric Inspector, P.W.D., Poona, to the Electrical Engineer to Government, P.W.D., Bombay. Re: Supply at Kundgol.

=======

The following is the report received from the Asstt.Electrical Inspector, Dharwar, for your information and further disposal.

On 13th August 1949, Shri Hanumantappa Palled and Shri N.G.Balannawar approached the Bank of Karnatak, Ltd., Kundgol Branch, for a loan of Rs.15,000/- for the improvement of the distribution system in the town and the said Bank advanced that amount with interest at 9% per annum against the security, of machinery out of which the generators formed a part. They further agreed not to sell or deliver these items stated in the bond to anybody else. It was also agreed that if the loaned amount together with interest thereon was not repaid, the machinery stated in the bond should be delivered to the Bank without raising any question to enable the Bank to sell it at their discretion.

On 5-3-51, the Bank of Karnatak filed a suit for a claim of Rs.16,403/1/- and for possession of the moveable property hypothecated or in the alternative prayed for the appointment of a receiver to sell the properties through the court to enable them to recover the amount due to them. The Bank had also stated in the suit that the amount was demanded by notices and the party did not pay. As the machineries being put to use were likely to suffer damage and wastage, it was also prayed that the receiver be authorised to obtain police aid and if necessary break open the lock of the buildings in order to make the inventory and take possession of the articles pledged.

Shri B.A.Desai, Hubli, was appointed as the interim receiver and he was at liberty to take such steps to get possession of the articles as were necessary under the circumstances, even going to the limit of getting police aid in breaking open the locks.

However, if the defendants (Shri Hanumantappa Palled and others) furnished proper security to the extent of Rs.20,000/- the order of the appointment of the receiver stood cancelled.

From the application submitted by the pleader of Shri Hanumantappa Palled, it was learnt that the Bank having secured an ex-parte order for the appointment of a receiver, took possession of the machine-ry at work on 3-4-51, even though the court had ordered him to demand a security of Rs.20,000/- before he could be entitled to take possession of the machinery and in case the proper security was furnished, he was ordered not to take possession. It is learnt that the receiver did not serve any notice for the demand of the security and took possession of the machinery worth about Rs.50,000/-. At present the case is sub-judice.

It is learnt from Shri Hanumantappa Palled that no notices could be given to the consumers of stoppage of electricity as the were taken in police custody and about 310 consumers were inconvenienced as the system was abruptly stopped on 3-4-51.

Kundgol formerly was in Jamkhandi state and is now merged in the District of Dharwar. Since the merger, the power house is run by Shri Hanumantappa Palled.
